Our special location:

## Our Library

Our library with its own terrace is a special place for get-togethers or team building events in a stylish ambience.

The library is best suited to smaller, creative meeting enquiries

Standard  
Room

Superior  
Room

Modern  
bathrooms in our  
Superior rooms

## Overnight Stays

We offer three different room categories for conference guests looking to stay the night:

- 194 hotel rooms across four floors
- 134 newly renovated SUPERIOR rooms
- All our rooms are of the highest quality, with carefully selected mattresses designed with comfort in mind

Schlafen Sie gut!  
Dormez bien ! Sleep well!

- A little more, please!  
We also have three Balcony Suites – 40 m<sup>2</sup> room with balcony.
- The advantages for our corporate guests:  
Breakfast, parking and high-speed WiFi are included in the room rate.

## Meet. Sleep. Work. Office

Regardless of whether our guests want to work in their own office or our lounge, our co-working space concept in the hotel offers the perfect solution to all their needs.

Furthermore we offer private office spaces from 12 sqm to 490 sqm!

All offices enjoy natural light with opening windows for air circulation and are set up with a spacious desk, chair and sideboard for extra space when working. You can enjoy use of the on-site kitchen complete with coffee machine, candy bar and fresh fruits.

Take advantage of the hotel services included in our offer, including a gym, a car park, a restaurant, bar, Outdoor garden, a concierge service and a laundry.

## What we do:

# Think greet, be green!

### Sustainable interior

Interior from local trade fair builders (reuse & upcycling)

### Regional suppliers

regional products in the restaurant and at the bar

### Room products

100% natural, biodegradable, no animal testing, refillable dispensers, organic bed linen, cleaning is done with eco-products.

### Green electricity

Use of 100% green electricity

greet Darmstadt has its own e-charging station from the local provider

### Bike rental

### Green Key certified

a leading standard for excellence in the field of environmental responsibility and sustainable operation within the tourism industry.

### Home gardening

Own raised bed with herbs which are used in the restaurant and bar

### Social

The company's involvement in sustainability networks and regional support associations
